DIRECTOR (1) - JIM KELLY

Well! Opening week, it has finally arrived. What a hectic 3 months it has been, this play is bigger than a musical and it only has one song and no orchestra. The most interesting part of directing this play for me, was the research into the history of this true and haunting story. I must take this opportunity to thank our set designer and builder Mr. John Irvine, for this magnificent set he has created, bringing to life just what it must have been like for 8 people to live together for two and a half years. And also, thank you

to the talented cast of ten, some of you even look like the real characters, to the production crew who have worked tirelessly these last few months to bring this play to the stage, to Daniel who, with his determination and fresh ideas, helped bring this story to life. And finally to you the audience, for coming along tonight and supporting us. So please sit back now, and enjoy tonight's performance of "The Diary of Anne Frank".

Annelies Marie Frank:

(Born 12 June 1929 – Died, February or March 1945)
was a German-born diarist and writer.

She is one of the most discussed Jewish victims of the Holocaust. Her diary, *The Diary of a Young Girl*, which documents her life in hiding during the German occupation of the Netherlands in World War II, is one of the world's most widely known books and has been the basis for several plays and films.

Born in the city of Frankfurt, Germany, she lived most of her life in or near Amsterdam, the Netherlands. Born a German national, Frank lost her citizenship in 1941 and thus became stateless. The Frank family moved from Germany to Amsterdam in the early 1930s when the Nazis gained control over Germany. By May 1940, they were trapped in Amsterdam by the German occupation of the Netherlands.

As persecutions of the Jewish population increased in July 1942, the family went into hiding in some concealed rooms behind a bookcase in the building where Anne's father worked. In August 1944, the group was betrayed and transported to concentration camps.

Anne and her sister, Margot, were eventually transferred to Bergen-Belsen concentration camp, where they died (probably of typhus) in February or March 1945, just weeks before the camp was liberated in April.

Otto Frank, the only survivor of the family, returned to Amsterdam after the war to find that Anne's diary had been saved by one of the helpers, Miep Gies, and his efforts led to its publication in 1947.

It was translated from its original Dutch version and first published in English in 1952 as *The Diary of a Young Girl*, and has since been translated into over 60 languages.

The diary, which was given to Anne on her thirteenth birthday, chronicles her life from 12 June 1942 until 1 August 1944.

Connor Scoble: **Mr. Frank**
 Connor has been performing since as long as he can remember, whether appearing on stage for arts projects in primary school, or singing really horribly to anyone who would listen, as a child. Entertaining has always been his one true passion. After training with Triple Threat Academy for a year, he has been able to perform for shows in amateur productions such as 2015's *Beauty and the Beast*, and *Legally Blonde*, as well as starring as Lucas in *The Addams Family* earlier this year. *The Diary Of Anne Frank* will be Connor's first production with Kucom Theatre and a real dramatic push for his acting skill.

Vicky Bobeldyk: **Mrs. Frank**
 Vicky has worked as an acting coach, accent coach, costume designer and production manager. Her musical theatre experience includes: *My Fair Lady*, *Victor/Victoria*, *Les Miserables*, *Sweet Charity*, *Singing in the Rain*, *I Love You, You're Perfect, Now Change*, *Nunsense*, *Call Me Madam*, *Hairspray*, *Calamity Jane*, *Return To The Forbidden Planet* and most recently *Mary Poppins* as Miss Andrew. Tonight you see her in the role of Mrs. Frank, a role she has always wanted to play. In her spare time Vicky teaches at Triple Threat Theatre

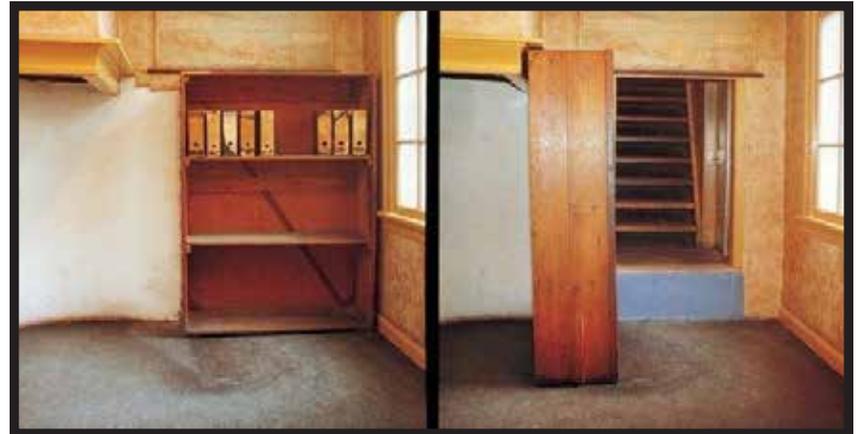

Shae Robinson: **Anne Frank**
 Shae is 14years old and has been taking drama classes since she was 8. Shae absolutely loves drama and acting and dedicates a lot of her spare time to it. Some of Anne Frank's Quotes :

1. "How wonderful it is that nobody need wait a single moment before starting to improve the world."
2. "It's really a wonder that I haven't dropped all my ideals, because they seem so absurd and impossible to carry out. Yet I keep them, because in spite of everything, I still believe that people are really good at heart."
3. "Think of all the beauty still left around you and be happy."
4. "I can shake off everything as I write; my sorrows disappear, my courage is reborn."
5. "I've found that there is always some beauty left -- in nature, sunshine, freedom, in yourself; these can all help you."
6. "No one has ever become poor by giving."
7. "Parents can only give good advice or put them on the right paths, but the final forming of a person's character lies in their own hands."
8. "I don't think of all the misery, but of the beauty that still remains."
9. "Because paper has more patience than people."
10. "The best remedy for those who are afraid, lonely or unhappy is to go outside, somewhere where they can be quite alone with the heavens, nature and God. Because only then does one feel that all is as it should be and that God wishes to see people happy, amidst the simple beauty of nature. As long as this exists, and it certainly always will, I know that then there will always be comfort for every sorrow, whatever the circumstances may be. And I firmly believe that nature brings solace in all troubles."
11. "Look at how a single candle can both defy and define the darkness."
12. "People can tell you to keep your mouth shut, but that doesn't stop you from having your own opinion."
